

Sweet Expressions

Website Description

Sweet Expressions is a homemade bakery that specializes in custom decorated cookies for different events and celebrations. The website will showcase the different types of cookies that customers can order, including cookies for birthdays, weddings, holidays, sports, and other special occasions. Customers will be able to browse photos of previous cookie designs to get ideas for their own orders. This website will also provide information about Sweet Expressions and explain how customers can request custom cookie designs. The goal of the website is to create an easy and visually appealing way for customers to learn about the bakery, view its work, and find information about placing an order.
